

Integrated and Designated ELD Instruction Institute

Design and Plan Powerful Interactive Student-Responsive ELD Lessons

For teacher teams and elementary leaders, SEAL's three-day institute is designed to provide participants with relevant pedagogy, research-based classroom strategies, and tools for implementing ELD instruction across all content areas.

SEAL's series of ELD workshops support and build the tools and skills needed for educators, schools and students to succeed.

LEARN: Details and Objectives

- The history of ELD and California's vision for English Learners
- The difference between Integrated and Designated ELD
- Gain familiarity with the ELD standards and practice using them to inform ELD lessons
- Create a collaborative learning environment that allows for small Designated ELD pull-out groups

RESERVATIONS & DATES

We are in the process of scheduling the in-person institutes for 2023-2024 school year. Dates and times will be responsive to participants' needs. A limited number will be offered.

INFORMATION

GAIN: Skills Development and Takeaways

- Develop a set of high-leverage strategies that help English Learners access content and gain the language to participate in class lessons and discussions
- Use of graphic organizers and sentence frames to support language development
- Use Oral Language Analysis to support the development of responsive Designated ELD lessons
- Use institute time to plan for ELD

RESPOND: Tailored for Your Needs

- Implement strategies and receive detailed feedback
- Incorporate ELD into adopted social studies and science curriculum
- Technical assistance included to support implementation
